

AMENDMENT TO CLAIMS

Claims 1-5 (cancelled)

Claim 6 (currently amended) A novelty golf putter for conceding putts comprising
an elongated hollow shaft having opposite ends,
said hollow shaft having external threads at one of said opposite ends and a putter
head affixed to the other of said opposite ends,
a handle being threadedly affixed to said external threads of said one of said
opposite ends,
an elongated rod being telescopically inserted in said in said hollow shaft and
being attached to said handle,
said elongated rod being stowed within said hollow shaft when said handle means
is threadedly affixed to said hollow shaft,
said elongated rod permitting said handle to be freely extended for a
predetermined distance from said one of said opposite ends of said shaft upon threaded
disengagement of said handle from said hollow shaft, and
~~The golf putter according to Claim 4 wherein~~ said rod includes an end portion for
preventing separation of said rod from said hollow rod from said hollow shaft.
